Students awarded Kin Canada bursary

CAMBRIDGE, Ont., JUNE 29, 2009 – Kinsmen and Kinette members from across Canada are pleased to award 42 deserving students with a \$1,000 bursary from Kin Canada Bursaries, a program of the Hal Rogers Endowment Fund.

Established in memory of Kin Canada's founder, Hal Rogers, the bursaries are granted to assist students with the pursuit of post-secondary education. Annually, the bursaries are supported by the fundraising efforts of Kinsmen, Kinette and Kin clubs across the country.

"This year, the Hal Rogers Endowment Fund is proud to present 42 bursaries to students across Canada," said Carla Gervais, chair of the HREF Board of Trustees. "We encourage all individuals and companies to consider donating to the fund. Your gift, large or small, will have an impact on the lives of others for years to come. It is a simple and practical way to invest in the future."

This year, more than 1,200 applications to the bursary program were received from students across the country. Successful applicants are chosen based on their community and school involvement, knowledge of Kin Canada, and financial need.

Kin Canada is the national association of Kinsmen, Kinette, and Kin clubs. In hundreds of communities across Canada, thousands of dedicated volunteers make up this dynamic, all-Canadian service organization. Through their promotion of service, fellowship, positive values and national pride, Kinsmen and Kinettes work tirelessly to make their communities and their country a better place to live.

Supported by Kinsmen, Kinette and Kin clubs across the country, Kin Canada Bursaries annually awards bursaries to successful Canadian applicants who are pursuing post-secondary education at a recognized school of learning.
